

# Motion to the Republican Party of Bexar County

Title: 20210322 - Creation of a Special Committee on Redistricting

**I move the Republican Party of Bexar County appoint a Special Committee on Redistricting.**

This committee is to participate in the Redistricting Process in Bexar County. Census data will be released to the public and elected officials by 30 April 2021. Mapping plans and hearings are already underway.

**The Committee shall be appointed by the County Chair and include no less than five but no more than nine members.**

**The purpose of the Committee is to study redistricting plans for Bexar County with respect to the several political districts lying within its borders and either devise a plan or adopt an existing plan.**

The Committee shall report their activities to the RPBC Executive Committee and the RPBC management committee monthly.

The Committee shall work with (coordinate with) committees in surrounding counties and state-wide groups, advocate for the plan, publicize the plan to the community-of-interest, and testify for that plan at all appropriate and necessary hearings.

The **Special Committee on Redistricting** shall oppose H.R. 1 which mandates the Texas State Legislature give up its duties and rights for state reapportionment handing over the duty to a so-called independent committee of experts.

**Political Districts include:**

Individual Precincts  
Independent School Districts  
Alamo Community College Districts  
City Council Districts  
County Commissioner Districts  
State House Districts  
State Senate Districts  
Congressional Districts and  
Other districts deemed necessary by the committee.
