BEXAR FACTS
The Official Newsletter of the
BEXAR GOP

My Fellow Republicans,

I am honored to have been chosen as the next Bexar County Republican Chair. I look forward to serving the county and getting Republicans elected.

I have already begun working at headquarters and I am looking for more volunteers to fill open positions. The Bexar GOP needs people who want to help change Bexar County Red.

Email my executive administrator, Jamie Marroquin to let us know you are interested at

executiveadministrator@bexargop.org.

As you were previously notified, our County Executive Committee Organizational Meeting is next Tuesday at the SA Firefighters Association. Registration is at 5 pm and the meeting begins at 6 pm. We will pass the bylaws so we can get to work! See the agenda below.

ADAM BLANCHARD
"SUPPLY CHAIN FORECAST"

Camino Real is happy to welcome Adam Blanchard as guest speaker for our June meeting. Adam is well versed in the transportation business having started his own trucking company here in San Antonio. He is the Co-Founder & CEO of Double Diamond Transport, Inc. & Tanagra Logistics, LLC, a Long haul and regional motor carrier. His business has become a success after working hard for nine years to build a fleet capacity of 500 trucks. He began his professional life as an attorney, working in private law firms before starting his company. His legal background served him well as he was able to help pass Texas HB19, which was legislation to protect the trucking industry in Texas against lawsuit abuse. Adam is a graduate of Oklahoma State University with a Bachelor of Business in Economics and earning his Doctorate of Jurisprudence at Texas Tech University School of Law. He is very active in the local community serving on several board positions such as the Rotary Club of San Antonio, San Antonio Mobility Coalition, Policy Chairman for the Truckload Carriers Association, and the South San Antonio Chamber of Commerce. His company generously sponsors several Youth Sports organizations, supports Career and Technical Education for the NEISD, and events for DPS. We look forward to hearing his perspective on the supply chain and how the trucking industry is such a crucial part of our critical infrastructure.
