**20220929: Resubmitted for perfection - PROPOSED RESOLUTION (Jonathan Melendez PCT 3084)**

“We, the Republican Party of Bexar County, request that the City of San Antonio end the lease agreement on the Migrant Resource Center (MRC) and no longer allow our city to be used as an illegal alien transit hub for the Biden Administration to distribute illegal immigrants into the interior of our country, as this process creates a danger to the residents of Bexar County and their property.”
