This section applies to the conduct of joint primary elections notwithstanding and in addition to other applicable provisions of this code. The decision to conduct a joint general primary election or runoff primary election, as applicable, must be made by majority vote of the full membership of the commissioners court and with the unanimous approval of the county clerk and the county chair of each political party required to nominate candidates by primary election.

(b) The county clerk shall determine whether to consolidate election precincts under Section 42.009 and shall designate the location of the polling place in a consolidated precinct. (e) The county clerk shall obtain the candidates' names that are to appear on the primary ballot, office sought, and candidate and office ballot order from the certified list on the secretary of state's website.

(f) The county clerk shall determine the ballot format and voting system for each election precinct and shall procure the election equipment and supplies.

(g) A separate set of ballot boxes or other suitable containers approved by the secretary of state shall be used for each party's primary, except that one set of ballot boxes or other containers may be used in a joint primary using an electronic voting system in which the ballots are deposited by the voters directly into a unit of automatic tabulating equipment. The lists of registered voters and the voters' registration certificates shall be marked and stamped to show the appropriate party affiliation for each voter. A separate list of registered voters shall be used for each party's primary. The secretary of state by rule shall prescribe requirements to ensure that one party's ballot is readily distinguished from another's, which may include the use of different colors of ink.

(g-1) A voter shall be allowed privacy to the extent possible when indicating the voter's choice as to which political party's primary the voter chooses to vote in.
