KILLER OF 6 WAS BAILED OUT BY DEMOCRAT-SUPPORTING GROUP

Bexar GOP Chairman calls for repudiation of “Texas Organizing Project.”

Bexar County, Texas: The “Texas Organizing Project,” a group that funds the campaigns of Democrats and leftist causes, including Bexar County DA Joe Gonzalez and Sheriff Javier Salazar, bailed violent criminal, Shane James, Jr, out of jail last year. Then, on December 5th, James then went on killing spree, murdering six innocent people, including a young mother taking her baby for a walk and he attempted to murder two police officers. TOP has helped fund the campaigns of DA Gonzalez and Sheriff Salazar, and many, many other Democrats here in San Antonio. The day after TOP helped get James’ bail reduced, they paid his bail and he promptly cut off his ankle monitor and went on the run.

Jeffrey R. McManus, Chairman of the Republican Party of Bexar County calls on DA Gonzalez, Sheriff Salazar, and all other Democrats who TOP helped get elected to repudiate the organization and their mission to sacrifice our family’s safety on behalf of criminals and murders like Shane James, Jr. These actions and leftist policies have contributed to the increased lawlessness and diminished the safety for Bexar County residents. Leftist policies promoted under the failed Prop A in May 2023 serve to increase criminal activity and embolden criminal activities.
