BEXAR GOP CHAIR ENDORSES SCHUCHARDT FOR COMMISSIONER
Republican Leader says Chris Schuchardt is “unapologetically conservative.”

SAN ANTONIO, TX – After careful consideration and weighing several important factors and qualifications*, including values, principles, and character, Jeffery R. McManus, Chairman of the Republican Party of Bexar County has announced his endorsement of Chris Schuchardt for the Republican nomination for Commissioner’s Court, Precinct 3.

“Chris Schuchardt is the kind of conservative leader we need on the Commissioner’s Court. He will be a true conservative voice, one that has been sorely missing since the current occupant took office,” said Chairman Jeffrey R. McManus. *“Chris is smart, hardworking, unapologetically conservative, and understands what is at stake for our families. The current commissioner does not govern as a Republican, fails to stand up to the Democrats, and has shown that he’s beholden to special interests rather than taxpayers. I trust Chris Schuchardt and I’m proud to endorse him.”*
