

Resolution Opposing Sports Betting and Casinos in Texas

WHEREAS, the Republican Party of Bexar County opposes attempts to legalize or place sports betting and casino gambling on the ballot for a state-wide vote by the people; and,

WHEREAS, our Texas Constitution, Article 3, Section 47, prohibits both sports betting and casino gambling; and,

WHEREAS, our Republican Party of Texas platform states our opposition to the expansion of gambling.

THEREFORE, BE IT RESOLVED the Republican Party of Bexar County urges the state legislature to keep the prohibition against sports betting and casino gambling in our state Constitution and oppose attempts to place this issue on the ballot.

DENOUNCING “PROJECT MARVEL”

Whereas, the City of San Antonio and Bexar County seek to spend \$4 billion on establishing a downtown sports and entertainment district, Project Marvel, which will take an estimated 15 years to develop, in hopes of attracting tourism, economic viability, and world-class events; and

Whereas, the city and county already have spent hundreds of millions over the last 40 years building multiple sports facilities, funded largely by taxpayers, which have failed to produce the return on investment promised; and

Whereas, the city and county have other more important issues and areas of concern to provide funding for which fall within their purview of providing fundamental services.

BE IT RESOLVED, we object to any attempt to relocate the San Antonio Spurs to a new arena developed or renovated by public funds.

BE IT FURTHER RESOLVED, that we object to the wasting of public funds to expand the city’s sports and entertainment industry.
