Republican Party of Texas (RPT) Rule 9 states at least one fourth of the membership shall constitute a quorum. There are currently 249 precinct chairmen so 62 members

are required for a quorum. It is confirmed 95 members are in attendance, so a quorum is present.

Chairman's Remarks

Chair Coons stated it is 50 days until the May elections, and we are able to change the political leadership in San Antonio. There is at least one Republican candidate in every race. There is information in the packets providing election locations and the schedule (Attachment A) and a sample ballot for San Antonio (Attachment B).

She discussed the need to maintain the momentum from the November elections and increase turnout of conservative voters in this traditionally low turnout election. She then discussed several plans under consideration to support Republicans in the run-off. She has spoken to nearly every candidate and the Party will not promote any candidate that has not met with her. She urged "Vote for Common sense and conservative candidates in the COSA elections!"

Approval of Minutes

There are no contested precinct chairmen.

Resolutions Committee Report

Steve Jordan, Pct. 3105, Chairman of Rules and Resolutions Committee, presented the Committee reports. The Rules Committee met immediately before the Resolutions Committee but had no business to conduct so adjourned.

The Resolutions Committee met twice and is bringing forth three resolutions for consideration.

CASINOS – (Attachment D)

The proposed resolution, "urges the state legislature to keep the prohibition against sports betting and casino gambling in our state Constitution and oppose attempts to place this issue on the ballot." After debate with three speakers For and Against the resolution, the resolution was adopted with a vote of 72 in favor of the motion.

PROJECT MARVEL- (Attachment E)

The proposed resolution "objects to any attempt to relocate the San Antonio Spurs to a new arena developed or renovated by public funds ...and objects to the wasting of public funds to expand the city's sports and entertainment industry". The resolution was adopted without debate.

RESOLUTION TO VACATE ABANDONED PRECINCTS (Attachment F)

This resolution differs from those adopted in previous terms as it is more limited and not continuing. This is a one-time permission naming the impacted precinct chairs.

"pursuant to TEC 171.029(b), the County Executive Committee of the Republican Party of Bexar County authorizes the county chair to send notice to each aforementioned precinct chair(s) in accordance with said section; and ...pursuant to TEC 171.029(d), the office of any aforementioned precinct chair who, within seven days of receiving said notice, fails to respond to the chair's notice and affirmatively state they wish to remain in office, shall be deemed vacant, and said vacancy may be filled..." Marian Stanko, Pct. 3015, moved to amend the resolution by removing the names of Elginio Rodriguez (2074) and Brad Kessler (4043) since they are present today. Several people seconded the motion. The amendment was unanimously approved.

After debate and three speakers For and Against, the amended motion was adopted. New Business

Robert Gonzales, Pct. 2040, moved to remove Trinity Haddox from the Bexar GOP website as a Republican candidate in City of San Antonio D7 election. Mr. Gonzales feels Mr. Haddox has made comments inconsistent with a Republican (Attachment G). Chair Coons stated the criteria for being included on our website and stated Mr. Haddox has signed an oath of allegiance. The RPT rules state you are qualified as a Republican if you vote in the Republican primary or sign the oath of allegiance. Chair Coons stated

this should be a resolution submitted to the Resolution Committee before the meeting and the motion is therefore out of order.

Announcements

Karen Marshall, SREC 26, presented a report from SREC. She urged people to sign up to be voter registrars as we need many more. The SREC is meeting March 21 and 22 in Austin and she invited everyone to attend. She also livestreams the meetings for increased access. She serves on the Voter Integrity Committee and provided an update on relevant legislation.

Mike Wheeler, SREC 25, informed the group of a symposium in Austin on Wednesday, March 19, on "Securing the Grid". After the symposium the group will go to the Capitol to lobby members on the issue.

Randy Pulham, SREC 21, stated on Thursday, March 20, there will be a Texas GOP Legislative Priorities Day at the Capitol (Attachment H). He also informed us the SREC has created a Military Partnership Committee.

Tracy Ebersole, Pct 2111, stated he is a candidate for Balcones Heights City Council position #4. His campaign theme is "Time for a Change".

Virginia Castaneda, Pct. 1051, informed the group she and others attended the CD 20 Town Hall hosted by Congressman Castro. She stated the Republicans were harassed and denied the opportunity to speak. She urged all Republicans to attend any future meetings.

Allen Hamilton, Pct 3102, stated he is developing a new website *AlamoScorecard.com* that will rate the COSA candidates based on their record (Attachment I). Approved June 21, 2025

Elginio Rodriguez, Pct.2074, stated his opposition to the construction of new roads where asbestos is left flowing through the water pipes and urged people to become informed.

Geri Peters, Pct 3063, said electing a conservative in D1 is vital and urged attendance at the D1 Candidate Forum Thursday March 20 at 6:30 at Vogt Auction.

Kyle Bolch, Pct 3125, said PASA focuses on block walking and is meeting today at Bill Miller's on 281 to walk for Misty Spears. The group has postcards in case a volunteer cannot walk but could address postcards.

Rhett Smith, Pct 2149, expressed the importance of having just two Republican Candidates in each race. He is concerned that the large number of candidates in a race will ensure the Republicans will not make the run-off. So please review the candidates carefully.

Dylan Young, Pct. 3088, informed the group of the website *FreedomIndex.com*.

Linda Sefton, Pct. 4058, stated the smaller municipalities are being targeted by the Legislature this year. She discussed SB 673 which limits a city's ability to regulate ancillary buildings in a residential area.

Kyle Sinclair, Pct.1143 and Vice-Chairman, thanked Chair Coons for her leadership this year. He also stated he testified on SB511 by Bettencourt which would prohibit publicly paid voter registration efforts by third parties. He also urged us to take advantage of any media opportunity to present the conservative position on issues.

Chair Coons stated we need to support the new Elections Administrator Michele Carew since the position is so important, but we need to also be informed of all actions taken by the new Administrator.

Chair Coons announced the following events taking place:

Resolution Opposing Sports Betting and Casinos in Texas

WHEREAS, the Republican Party of Bexar County opposes attempts to legalize or place sports betting and casino gambling on the ballot for a state-wide vote by the people; and,

WHEREAS, our Texas Constitution, Article 3, Section 47, prohibits both sports betting and casino gambling; and,

WHEREAS, our Republican Party of Texas platform states our opposition to the expansion of gambling.

THEREFORE, BE IT RESOLVED the Republican Party of Bexar County urges the state legislature to keep the prohibition against sports betting and casino gambling in our state Constitution and oppose attempts to place this issue on the ballot.

DENOUNCING "PROJECT MARVEL"

E

Whereas, the City of San Antonio and Bexar County seek to spend \$4 billion on establishing a downtown sports and entertainment district, Project Marvel, which will take an estimated 15 years to develop, in hopes of attracting tourism, economic viability, and world-class events; and

Whereas, the city and county already have spent hundreds of millions over the last 40 years building multiple sports facilities, funded largely by taxpayers, which have failed to produce the return on investment promised; and

Whereas, the city and county have other more important issues and areas of concern to provide funding for which fall within their purview of providing fundamental services.

BE IT RESOLVED, we object to any attempt to relocate the San Antonio Spurs to a new arena developed or renovated by public funds.

BE IT FURTHER RESOLVED, that we object to the wasting of public funds to expand the city's sports and entertainment industry.

Trinity Haddox For City Council - D7

City Council

I was disappointed by the way our federal government handled President Zelensky's recent visit to the United States. This isn't about whether we should send more aid to Ukraine—that's a separate debate. But the way our leaders carried themselves during this meeting was embarrassing.

Criticizing Zelensky for not wearing a suit? That's trivial. At the end of the day, clothes don't define leadership. And to mock our own Founding Fathers in the process? That's unacceptable. Have we forgotten our own history? When America fought for its independence, we called on France for help—just as Ukraine is now calling on the world.

We should expect a higher standard of conduct from our leaders, both at the federal level and here in our own city. Leadership isn't about partisan bickering or scoring points—it's about carrying ourselves with dignity and respect.

San Antonio deserves leadership that reflects those values.

ALAMO SCORECARD

"Always trustworthy, never personal."

Who We Are:

A group of like-minded patriots with a biblical worldview. We believe the government should be accountable to the people.

"When the people fear the gov't, there is tyranny. When the gov't fears the people, you have liberty."

Our Mission:

To inform the voters of those running for local political offices. To reign in frivolous government spending based by bureaucratic influences, rather than constitutional and common sense government. Work to reduce taxes for local residences and businesses.

Introducing the Alamo Scorecard Voter's Guide. Have you led to find common sense information with a biblical worldview? It can be hard to find. We would like to fix that problem. We will grade and rank the candidates. This will be compiled and put on our website and then distributed through our growing grassroots network. We can use your help in getting the word out.

Thank you and may God bless our endeavors for His Glory. See other side for a description of our grading system.

ALAMO SCORECARD

"Always trustworthy, never personal."

A conservative has these key principles:

- Limited government
- Individual liberty, the freedom to seek God and use our faculties for His glory.
- Free enterprise
- Eternal truths, such as right to life, the biblical family structure, and belief in national boundaries
- Peace through strength

First we want to see if they are liberal, moderate or conservative. We look at their website (if they have one), social media, donations, endorsements, public statements and local reporting.

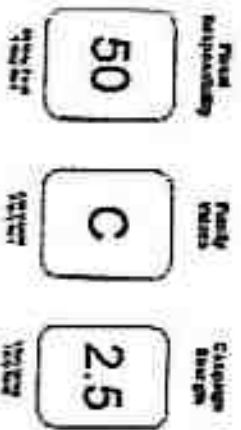

A Liberal has these key principles:

- More government control, an effort to solve all of most social ills.
- Individual license instead of liberty, rejecting self-restraint that leads to freedom.

- Greater regulation or enterprise, to produce equal outcomes, the belief that success comes at another's expense.
- Rejection of eternal truths, pursues human ideas as progress.

A Moderate is liberal of some issues and conservative on others. They do not have a consistent voting pattern.

A Verified Conservative or Verified Liberal reflects only candidates with a voting record or have taken public action demonstrating a commitment to conservative or liberal principles in spite of significant pressure.

We also look at three other areas:

- Fiscal Responsibility (how they spend other people's money)
- Family Values (do they support the biblical family)
- Campaign Strength (can they win)

Let's get out the vote and win!
